

Client Referral Program Agreement

between

FRATCH.IO GmbH
c/o SF17 CoWorkingspace
Schönfeldstraße 17, 80539 München
Represented by: Philipp Thomaschewski
- in the following named „FRATCH“ -

and

Name
Street
City
- hereafter „Referrer“ –

By agreeing herein, both parties confirm that should the referrer introduce a client to FRATCH and a freelancer or project gets successfully placed with the referred client, FRATCH will remunerate the referrer with a 30% commission of the project profit. This referral fee is specifically tied to the referred contact and their associated company. A referred contact is defined as:

- Provided Name, Position, Name of the company.
- Introduction through email or a joint meeting.

The referral fee will be paid indefinitely. An updated record of referred contacts can be found in the attachment accompanying this document. Should the freelancer introduce a new client, FRATCH will revise and update the attached list accordingly.
